

This product bears the selective sorting symbol for waste electrical and electronic equipment (WEEE).

This means that this product must be handled pursuant to European Directive 2002/96/EC in order to be recycled or dismantled to minimize its impact on the environment.

For further information, please contact your local or regional authorities.

Electronic products not intended in the selective sorting process are potentially dangerous for the environment and human health due to the presence of hazardous substances.

If faults cannot be remedied, contact the **Helpline** on **020 8391 6767**
